Many members accept Hours for services that do not fall under the category in which their services are listed. For instance, an individual listed under pet services may actually be willing to do other general services such as running errands for elderly or housebound people, raking leaves, hauling items to the curb, etc. This year we have a new Miscellaneous Service category that will list names and contact information for members who are willing to help individuals with various tasks. There is no additional fee to be listed in this category.

Check here if you want your contact information listed in the Miscellaneous Services category.

Make check or money order payable to Anacostia Hours and mail your application and payment to:
